The Chase RCMP along with several Search and Rescue teams continue the intensive search effort for Neskie Arrow Manuel, now missing since May 8th 2011. The 30-year-old Neskie Manuel is a member of the Neskonlith Indian Band and was last seen at a family campsite in the west end of Neskonlith Lake during the early morning hours of May 8th.

Neskonlith Lake area is about 11 km west of Chase, BC. Neskie is described as:

- Native male
- 6'0" tall
- 180 pounds
- Brown eyes
- Short black hair

At the time of his disappearance, Neskie was wearing glasses, blue jeans, grey sweater, and dark Nike running shoes which may have an orange Nike "swoosh" on the sides. Attached is a photo taken of Neskie that weekend, with the clothes he was last seen wearing.
